## JJ Meade Memorial Trophy

Players compete for a perpetual trophy commemorating former club identity and clubroom steward, the late Joe Meade.

Originally a 4 Ball then Pairs Aggregate Stableford, the competition has transitioned to a 2 Ball Ambrose with teams limited to 2 players. Refer to the competition rules for [2 Player Ambrose](#) for full details.

Players enter in pairs on the timesheet in 1Golf. The pairs must play together so it is important to choose your partner prior to the event. The winning pair is decided by the highest score in MiScore which also determines the winner in the event of a countback.

A player can only belong to one pair.

This is a non-handicapping round, Players who do not wish to play in the Ambrose format may elect to play in the midweek stableford competition. The competition is open to club members only.

The physical trophy for this event (pictured above) has been retired. Each winner receives \$100 prize money and an engraved medallion presented at the AGM.
