Perpetual Founders' Shield

(full size image)

This Shield was donated in 2016 by the late Ken Leverton to honour the founding members of the Club. Ken was a 16 year old member when the Club was founded in September 1937. He was Club Champion in 1955, 1956 and 1959, and Captain from 1959 to 1961.

The winner each year is the member with the highest Eclectic total from all Saturday Stableford rounds from January 1 to the last round in September.

Scores and totals are processed in MiScore and the countback is automatically performed by the system.

The competition is only open to club members. New members who join the club during the year are also eligible for entry.

The winner of the competition has their name engraved on a trophy which is on permanent display in the club's room.

The winner also receives $100 prize money paid to their account at the time of the competition and an engraved medallion presented at the AGM.
