

SANDRINGHAM GOLF CLUB

Star Medalist Event - Men (Stroke)

This is a Stroke competition between the eight VGL Medal winners of the year. The winning player becomes the club's Star Medalist and is required to represent the SGC in the VGL competition for the Medalist of Medalists. Ties are decided by 18 hole play-off. If any of the eight competitors are not able to play in the VGL Medalist of Medalists event, they are not eligible to compete or to win the Star Medalist competition. Note: VGL rules apply to this event.

Star Medalist Event - Ladies (Stroke)

This is a Stroke competition between the eight winners of the monthly women's competitions held at the same time as the men's VGL medals. In the event of a tie, the winner is determined by MiScore countback.

The winner of the Men and Lady Star Medalist receives \$100 prize money, and an engraved medallion presented at the AGM. The Male Star Medalist will then compete in the VGL event and is eligible for additional prizes as determined by the VGL.
